

CERTIFICATE OF COMPLETION

This is to certify that Luca Di Stasio.....successfully completed the course in **Research Funding** given by the Grants Office at Luleå University of Technology during the Spring term 2018. The course gives 3 points in the postgraduate research education.

The course consists of the following parts:

- Overview of the Swedish Research Funding system: main funding authorities
- Overview of the European Research Funding system: Horizon 2020
- Searching for funders and calls: Research Professional, Participant Portal, Prisma
- Thinking strategically when planning an application
- Writing an application for funding: how to start (one-page proposal), tips on writing and how the application is judged by funders (evaluation criteria)
- Practical exercise in application evaluation
- Tips on career planning with LTU's Career Center
- Research mobility, post-doc possibilities and time after your dissertation
- Course assignments – writing individual evaluation reports and pitch your idea

Luleå, 27 March 2018
