

# Certificate of Participation

Awarded to

**Luca di Stasio**

for the successful participation of the

**DocMASE Summer School 2016**

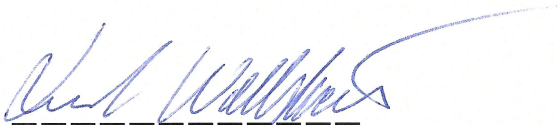

**30.05.-03.06.2016**

**at Luleå University of Technology, Sweden**

This 2016 Summer School on “Manufacturing, microstructure and performance of Advanced Composite Materials” included the following blocks:

- Structural Composites
- Bio-nano- Composites
- Experimental Techniques
- Multifunctional Materials
- Manufacturing Techniques : Composites

The participant is awarded **2 ECTS** for attending this event.

Prof. Lennart Wallström

Prof. Janis Varna
