AN OFFICIAL SIGNATURE IS WHITE WITH A BLUE BACKGROUND-REJECT DOCUMENT IF SIGNATURE BELOW IS DISTORTED

THIS IS AN OFFICIAL TRANSCRIPT OF RECORD RIGHTS PURSUANT TO THE FAMILY EDUCATIONAL

(I) in the student's GPA. An (I) shown in this column NOTE: The column after GRD and PTS labeled R refers to indicates that the grade shown in the GRD column is included in the student's grade point average.

A BLACK AND WHITE TRANSCRIPT IS NOT OFFICIAL · VOID APPEARS IF COPIED

Joseph J. Salomone, University Registrar

This officially sealed and signed transcript is printed on blue SCRIP-SAFE® security paper with the name of the university printed in white type across the face of the document. A raised seal is not required. Translucent globes must be visible from both sides when heid toward a light source.

AND PRIVACY ACT OF 1974, AS AMENDED. THIS RECORD CANNOT BE RELEASED TO ANY OTHER PARTY WITHOUT THE WRITTEN CONSENT OF THE STUDENT.

GENERAL INFORMATION

Drexel University was originally named Drexel Institute of Art, Science and Industry. In 1936 it became Drexel Institute of Technology. The Institute was formally renamed Drexel University during the 1969-70 academic year.

ACCREDITATION

Drexel University is accredited by the Commonwealth of Pennsylvania and by the Middle States Association of Colleges and Schools.

COLLEGES AND SCHOOLS

Drexel University consists of eight colleges and four schools - The Antoinette Westphal College of Media Arts and Design; The College of Arts and Sciences; The Bennett S. LeBow College of Business; The College of Engineering; The Goodwin College of Professional Studies; The College of Information Science and Technology; The Earle Mack School of Law; The College of Medicine (has its own transcript and legend); The College of Nursing and Health Professions; The School of Biomedical Engineering, Science and Health Systems; The School of Education and The School of Public Health

DREXEL COOPERATIVE EDUCATION PROGRAM- Undergraduate Full-time Students

The Drexel Cooperative Education Program enables the student to alternate employment with coursework. Under this plan, the student attends the University for the entire freshman year. Then, beginning their second year in accordance with their program of study/major, the student alternates periods of full-time classroom studies and full-time employment with Drexel University approved employers. Normally, students are placed in a job for a six-month period (two quarters) of employment alternating with two quarters of classroom study. This program is mandatory except for the non-co-op programs. Students earn Drexel Cooperative Units (DCU) by successfully completing Cooperative Education coursework as well as the employment period which further entails written reports that evaluate/measure their work experiences.

TRANSCRIPT FORMAT

Current Format - This transcript is an officially sealed document that is printed on light blue security paper and signed by the University Registrar. A raised seal or tricolor stamp is not used nor is it required. When photocopied, the word void will appear. A black and white document is not an original and should not be accepted as an official institutional document. The transcript is produced by the Banner student system which the University implemented in Summer Quarter 1998-99. The student is identified by an eight-digit University ID number, followed by program of study information and finally information pertaining to degrees awarded. If there are changes to majors/programs of study or cooperative work assignments, they will appear during appropriate terms throughout the body of the transcript. Grade point averages (term and cumulative) are displayed for each term following course information. Academic actions (Dean's List, Probation and dismissal) will appear on a separate line at the end of each term's work, after the grade point average. Withdrawal history will appear under the term entry of the term in which the student withdrew. The cumulative grade point average information will be listed at the end of the transcript under the header named "Transcript Totals"

Old Format – A transcript produced under the old format is a copy of the original document on file in the Office of the University Registrar generated from an original scanned document. Cumulative grade point average data for an undergraduate full-time student is posted only once a year on the transcript copy. All changes of major are listed at the top of the transcript along with withdrawal history. Cooperative work assignments appear under the term that the student is scheduled for a period of employment and Probation/Dean's List appear across the bottom of the transcript.

Combined Format - A copy of the archived coursework will be attached to the current format style transcript for those students who started prior to 1979 and continued their education past

ACADEMIC YEAR & CREDIT HOUR EQUIVALENT

The Drexel University academic year is based on four equal terms, known as quarters, which consist of ten weeks of class and one week of final exams. In order to convert quarter credit hours to equivalent semester credit hours, multiply the number of quarter credits by two-thirds. If you want to convert semester credit hours to equivalent quarter credit hours, multiply by three-halfs or 1.5)

COURSE NUMBERING SYSTEM

Effective Fall term of 1992-93, Drexel University converted to a more definitive course numbering system. The numbering system defined course levels as noted below:

	Underg	raduate

Courses taken for Honors credit will have a comment below the course entry that indicates "Course Taken for Honors Credit"

CALCULATING GRADE POINT AVERAGE (based on 4.0 scale)

Add the credit hour value of all courses (GPA hours) in which a student receives a grade of A+, A-, A, B F and divide the results into the total quality points (course grade points multiplied by course credits). This can be calculated on a term and cumulative basis. All courses taken while an Undergraduate are included in the undergraduate cumulative GPA.

Cumulative GPA Calculation for Repeated Courses (Policy prior to Fall 1999)

An undergraduate student has the option to repeat a course (up to five times) in which he/she was initially enrolled beginning with the Fall 1992-93 term and ending with the Summer 1998-99 term. The term GPA calculation remains the same; however, the cumulative GPA is calculated as follows: a) only the grade from the most recent enrollment will count in the cumulative GPA if the grade from the most recent enrollment is the same or better than the original grade and b) both grades will be calculated in the cumulative GPA if the grade from the most recent enrollment is lower than the original grade.

Cumulative GPA Calculation for Repeated Courses (Policy Effective Fall 2001)

Courses with an Indicator of "I" in the R Column on the transcript will be included in the term and cumulative credits earned and GPAs; courses with an "E" in the R column will be excluded from term and cumulative GPAs but retained in term and cumulative credits attempted; courses with an "A" in the R column will be excluded from term and cumulative credits earned, but retained in term and cumulative credits attempted and calculated in the term and cumulative GPA's.

TO TEST FOR AUTHENTICITY: Translucent globe icons MUST be visible from both sides when held toward a light source. The face of this transcript is printed on blue SCRIP-SAFE® paper with the name of the institution appearing in white type over the face of the entire document.

DREXEL UNIVERSITY * DREXEL UNIVERSITY • DREXEL UNIVER

ADDITIONAL TESTS: When photocopied, a latent security statement containing the institutional name and the words VOID VOID VOID appear over the face of the entire document. When this paper is touched by fresh liquid bleach, an authentic document will stain brown. A black and white or color copy of this document is not an original and should not be accepted as an official institutional document. This document cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974.
